If you can't find us phone: 07766287097

There is a new link road, from the M6 to Morecambe, called the "Bay Gateway" which may not show on your satnav.

Do not attempt to get to Morecambe through Lancaster; there are major road works and traffic disruption which will last until September 2018.

If you are travelling on the M6 from the South, **do not** use Junction 33.

From both the north and South, leave the M6 at junction 34

- From both north and south slip lanes, follow signs for Morecambe and Heysham A683 and the Bay Gateway.
- From the South: At the end of the slip lane, go straight on through the traffic lights.
- From the North at the end of the slip lane, turn left at the traffic lights, go under the bridge, then get into the right lane and turn right at the traffic lights (large junction).
- After this junction, you are on a bridge crossing the River Lune, get into the left lane.
- Keep left and merge onto the Bay Gateway A683.
- At the roundabout, take the first exit and stay on the Bay Gateway.
- After approx. 1.2 miles, as you approach the traffic lights, get into the right hand lane.
- At the lights you will see a Mc Donald's (slightly to your right).
- Turn right onto the A589.
- At the roundabout, take the first exit onto Westgate.
- After approx. 1.8 miles (Texaco garage on the right) turn left, at the traffic lights, onto Balmoral Rd.
- After approx. 0.2 mile turn right into Avondale Rd and park.
- We are behind the row of houses on the right.
- Go down the first cobbled alleyway to the right. We are the first unit to the left, No 13.
- The sign says STATS 2000 and ASSET.

If in doubt, find No.39 Avondale Road and, with your back to the front door, look across the road. You will see the cobbled alleyway opposite.
